ADEQ will be at Holiday Inn Harrison.

I'll be moving my Branson reservation to the Hampton Inn Harrison (next door to Holiday Inn).

PRPs in the process of getting the larger conference room in Quality Inn Harrison (half a mile from Holiday Inn, Hampton Inn).

All,

A quick call around Harrison resulted in meeting rooms being identified at the Holiday Inn Express and Hampton Inn (these look like they are very close together). The rooms sound a little cozy for 15

9595695

people but will likely do. Holiday Inn's room sounds slightly larger (they claim room for up to 17 but the room is listed at 325 SF). Quality Inn is reported to have a banquet room which is reported to be considerably larger. We have tentative reservations at either Holiday Inn or Hampton Inn.

If you have any questions, please let me know.

Best Regards,

Jean, Jim,

Mark just identified to me that policy-wise, ADEQ attendees would have to stay in Arkansas for both their lodging and state vehicle transportation. The ADEQ attendees will currently be overnighing in Harrison, AR, on May 18<sup>th</sup>.

Since this is the case, would it be possible to move the conference room to one of the hotels in Harrison, AR, for May 19<sup>th</sup>, prior to the site visit?

Thanks,
